Prima by Napco™ All-in-One 7" Super Panel

Prima Self-Contained Security Video & Smart Home Automation System for Today's Competitive Market

Napco's Prima 7" Super Panel is a sleek, professional-grade system that controls security, fire, HD video, and Z-Wave Plus automation in one intuitive multilingual panel, wallmount or tabletop stand and 24Hr Li Battery Backup (included). All-New Backend Powered by StarLink

- | Lower Account Acquisition Costs and Add More Accounts/Day
- | Priced to Alleviate the Pain of Rising OPEX Operational Costs
- | Designed to Reduce Labor & Minimize Training Requirements, with fastest setup in minutes, anyone can do
- | Award-Winning Featureset that Attracts Today's New Consumers
- | Patented Self-Healing AI Video Wi-Fi prevents costly, often unbillable truckrolls, e.g., when routers, passwords, are changed etc.
- | Just 2 Simplified Service Plans, Full Dealer Dashboard, App Control & Reporting

Lower Costs & Services and Speed Installation/Setup - So Easy Anyone Can Do It:

Prima is the Resi RMR Solution You've Been Looking for to Cure Rising Costs & Lowering Acquisition Costs

Prima lowers account acquisition costs & eases labor shortages, easily enabling more accounts per day. Priced to combat rising operating costs, saving on both equipment costs & service plans, it's designed for quick setup with minimal training. Award-winning features attract new consumers and open markets.

Your Sales Rep Can Sell & Setup Prima in One Appointment

With a streamlined installation process, and spoken multilingual voice-prompts, Prima's simple sensors, onscreen video tutorials, one-button camera activation, and/or account creation wizard, allow for fast, efficient installs – saving time & costs. (Plus even DIY-Capable for Ship/Self-Setups.) Save your super-tech for those big jobs!

Affordable and Just 2 Cost-Effective Service Plans

Prima's 3-in-1 system offers significant savings in both setup and service fees, enabling installers to create more RMR-earning accounts daily. Order by individual component or by Kit, with two 3-1 System Kits, with or without HD video doorbell, in Verizon or AT&T.

Proven High-Tech Consumer Purchasing Triggers:

Prima includes voice assistant, 2MP camera, two-way live video from indoor/outdoor cameras or doorbells; integration with personal speaker devices like Alexa, and popular Z-Wave entry locks (e.g., Schlage), and a full range of Prima upsell accessories—Easily checking-off all the boxes for potential customers. (Scan QR code for Z Device list.)

Full Line of Prima Pro Components, for Residential & Light Commercial Applications, Too:

Prima is conveniently available in 2 cost-saving kits (with or without doorbell), or a la carte along with the full line of upsell accessories, from video cams & solar panel chargers, to recessed & low profile sensors, from glassbreak, flood & temp sensors, to extra plug-in Siren/Strobes & smart, watch-style panics, etc.

Patented Self-Healing Wi-Fi Video Prevents Service Calls:

Prima Video Cameras feature self-healing WiFi for consistent connectivity, eliminating unnecessary truck rolls. Video Doorbells offer one-button activation & long-lasting, self-healing performance, both in hardwired and wireless options.

Complete Control for Dealers and Your Accounts:

The Prima platform offers a dealer backend, Powered by StarLink, with full dashboard control & real-time end-user management via any smart device or PC, including notifications via push, text, or email.

Ideal for Multitenant Applications

Nothing to prewire or preprogram; Just plug in after sale. Portable for young subscribers, couples and tenants on the move. Ideal for "Over 50" consumers who move to MDUs for more amenities and security; less lawn- & home-upkeep.

Quick, Easy Existing Customer Updates or Retrofit Takeovers of RMR Accounts with Prima RF & HW Translators

Upgrade to Prima Panel but leave Honeywell 2GIGRF orwired existing sensors installed. Transfer into the Encrypted Prima System cleanly, easily without expense or labor.

Well Liked & Award-Winning
Slim, Sleek Prima Keeps
Them Informed & In Charge

All-in-One, On Wall or Tabletop,
 Whether They're Leaving, Staying in or
 Want Cool Control, Prima's Ready for Them
 + It'll Even Report the Weather.
